

# EEO-1 Comply 2017

*Simplifying the Challenges  
of the 2017 EEO-1 Reporting*

## The deadline is fast approaching... Are you prepared?

*The Equal Employment Opportunity Commission's (EEOC) new regulation requires complex workforce data elements on the EEO-1 Report with significant fines or penalties for non-compliance.*

*With some exceptions, private employers with 100 or more employees and federal contractors with 50 or more employees must complete an EEO-1 report each year.*

### How does the EEO-1 Comply 2017 aid an employer?

- ✓ Captures information from employees as required by the EEOC
- ✓ Identifies missing data elements necessary for compliance

- ✓ Utilizes this data to create EEOC compliance documentation
- ✓ Manages an unlimited number of companies in one location
